Brother & Sisters:

It is with great sadness that I report the passing of Sister Kelley Trautman. Kelley died in her sleep at approximately 12:30 on July 29th, apparently from a heart attack. She had been having difficulties for several months. She had been working for General Director of Road Operations Larry Breeden on a special project for several weeks, and was taking some time off in her home town of Rawlins, Wyoming. I spoke with her mother this afternoon, and arrangements are pending. I will keep everyone informed as information comes to me. Please pray for the Trautman family in this time of need.
